## Description

A rustic contemporary look that gives a dramatic flair to your home this design serves as a piece of art in itself. It features gorgeous white onyx shades that emit a romantic glow and sweeping wrought iron metal bands that add visual interest. Onyx is a mottled quartz that takes a high polish. As the favorite medium for Greek and Roman sculptors and architects onyx has become a cultural symbol of tradition and refined taste.

## Special Features

Products that use natural materials are perfect for those seeking the aesthetics of natural variations. Due to its authenticity the material may vary from pictured items. Glass color in Tiffany lighting products vary in color. No two pieces are identical.
